FROM JUSTICE WEAVER: An example of the misuse and abuse of the
Supreme Court power resulting in the unfair and unjust treatment of Judge Steven
Servaas is described in my lead opinion in his case and on the Internet. Every
citizen should go to my website <http://www.justiceweaver.com> and listen to the
unannounced, ambush visit from the Judicial Tenure Commission director and a
State Trooper that Judge Servaas experienced (as recorded by the State Trooper).
There you can hear the JTC director threaten “to drag (Judge Servaas’) name
through the mud” unless he agreed to resign by 9am the next morning. It is an
example of TYRANNY. A tyranny condoned by 5 Supreme Court justices when
they refused to investigate or have investigated the egregious conduct of the JTC
Director in the Servaas and the Brady v. Attorney Grievance Commission matters.)
